

Your Faith Made It to Sunday.
Does It Make It to Monday?

DISCIPLLED LEADER APPRENTICESHIP

You're one person on Sunday. Another on Monday.

Deep down, you know it. And it bothers you.

According to Barna, 72% of Christian professionals struggle to connect their faith and their work. You're not alone.

There's a better way.

DISCIPLLED LEADER

One Conversation at a Time

The Disciplled Leader Apprenticeship pairs you with a coach for 10 weeks. One hour a week. No lectures. No slides. Just honest conversation, real accountability, and a framework that helps your faith show up where it matters most. At work.

Close the Gap

Here's what changes. You move from feeling like two different people to leading with the same conviction every day of the week. From a faith that stays in the pew to one that shapes your decisions, your team, and your culture. Not self-improvement. Transformation. And it starts with Christ.

Transform Your Workplace, Transform Your World

Your workplace doesn't need another performer. It needs a leader formed from the inside out. Someone whose faith shows up on Monday. That leader is who you were called to be. The Disciplined Leader Apprenticeship exists to help you become that person.

A Few of the Competencies You'll Develop

Discipleship produces change you can see. Here's what that looks like in a leader...

- **Confidence:** Lead from your identity in Christ, not from your performance review.
- **Integrity:** Become the same person in the boardroom that you are in the pew.
- **Poise:** Find peace under pressure when the stakes are high and the noise is loud.
- **Transformation:** Become a catalyst for change in your workplace, your family, and your community.

Plus seven additional competencies explored throughout the apprenticeship.

The Disciplined Leader Apprenticeship is available as a private one-on-one experience or adapted for small groups. Ready to take the next step? Contact Preston directly at preston@prestonpoore.com
